Aditya Chowdhury

Machine Learning and Artificial Intelligence | API Development | Data Science | Backend Development Enthusiast | Cybersecurity | Technical Head at GEU ACM Women | Seeking Opportunities in IT Innovation.

Darjeeling, West Bengal, India

Summary

Hi, I'm Aditya, a 21-year-old tech enthusiast skilled in Python, C, and C++. I'm passionate about AI, ML, and cybersecurity, and I love bringing ideas to life through coding while tackling new challenges.

Outside of tech, I enjoy writing, cooking, and exploring topics like history and astrophysics.

Let's Interact with one another: Seeking at the prospect of interacting with mentors, professionals, and IT enthusiasts. Let's work together, exchange ideas, or discuss the newest developments in technology!
